

RESTORATION

The restoration process differs on whether you have held a Texas license previously and current hold a current license in another state. Go to the forms page and print out a restoration form and follow the directions.

If you held a Texas license and it is expired more than one year and less than two years, your name will appear on the website list as eligible to restore your license. Read the [rules](#) and follow the directions.

If your previous Texas license is expired more than two years and you hold no current license elsewhere in the US or Territories, you must refer to Chapter 370 to read about restoring a Texas license. and the options.

Go to the [Forms Page](#) of the website for the restoration form. Call the office with questions, 512/305-6900.
